

## **Privacy Policy**

This privacy policy covers how we collect and use the personal information you provide on Tservers4 website and app. It is Tservers4 Hosting Solution policy to respect your privacy regarding any information we may collect while operating our website or app. This Privacy Policy applies to <https://tservers4.com> (hereinafter, “us”, “we”, or “<https://tservers4.com>”). We are committed to protecting personally identifiable information you may provide us through our hosting website. We have formulated this privacy policy (“Privacy Policy”) to explain what information we collect from our website and how we make use of the information. Except as described in this privacy policy, we will not disclose personal information to others or third party without your authorization.

This Privacy Policy applies only to information we collect through Tservers4 Website and does not apply to our collection of information from other sources.

This Privacy Policy, together with the Terms and conditions seen on our Website, set forth the general rules and policies governing your use of our Web services including web hosting, domain registration or others. Depending on your activities when visiting our Website, you may be required to agree to additional terms and conditions whatsoever.

## **Website Visitors**

Like most website operators, Tservers4 Hosting Solution collects non-personally identifying information of the sort that web browsers and servers typically make available, such as the browser type, language preference, referring site, and the date and time of each visitor request. Tservers4 Hosting Solution’s purpose in collecting non-personally identifying information is to better understand how Tservers4 web Hosting’s visitors use its website. From time to time, Tservers4 Hosting Solution may release non-personally identifying information in the aggregate, e.g., by publishing a report on trends in the usage of its website.

Tservers4 Hosting Solution also collects potentially personally-identifying information like Internet Protocol (IP) addresses for logged in users and for users leaving comments on <https://tservers4.com> blog posts. Tservers4 Hosting Solution only discloses logged in user and commenter IP addresses under the same circumstances that it uses and discloses personally-identifying information as described below.

## **Forms/Registration Data**

Our site uses forms provided on our billing system to collect personal information (including your name, address, telephone number, and email address, username and password setup for client area, currency of choice for placing order) so you can place orders, manage your services, and request information and support. We may also request proof of identification in some cases, financial information when making card payment, or other forms of information necessary to provide the services that you request.

Any information you transmit to us via forms on our site, or give us in any other way, including through email, phone, whatsapp or via contacting our support team will be stored. This information may be used for purposes of contacting you regarding your use of our services. You may update personal information stored or request not to be contacted by us. Digital information such as (IP address, browser information and history, device information, meta data, certain provided social media identifiers, etc.) are secured. Above all, the collected data information are used for our security and also to have a proper understanding of who are customers are, to an extent have a proper KYC (know your customer). Tservers4 Web Hosting do not share collected information with any third party in any form. They are used for internal administrative purpose and control only.

## **Gathering of Personally-Identifying Information**

Certain visitors to Tservers4 Hosting Solution websites choose to interact with Tservers4 Hosting in ways that require Tservers4 Hosting Solution to gather personally identifying information. The amount and type of information that Tservers4 Hosting Solution gathers depend on the nature of the interaction. For example, we ask visitors who sign up for a blog at <https://tservers4.com> to provide a username and email address.

## **Updating Your Information**

After logging into your account on our site, you may update your account information or opt-out of receiving communications from us at any time you choose. Please recognize that, your personal information is necessary for provisioning your requested services, or for the operation of our systems, the collection, use and disclosure of personal information is required and you cannot opt-out or delete the information without terminating your services/products. It is until then your account is fully terminated from our system that everything about your hosting business information details may be lost and deleted completely.

## **Security**

We use technology and security measures to protect against the loss, misuse or alteration of the information under our control. When you enter sensitive information on our web site forms, we encrypt the transmission of that information using Transport Layer Security (TLS) and Secured Socket Layer (SSL). We follow accepted industry standards to protect the personal information transferred to us, both during transmission and once we receive it. The security of your Personal Information is important to us. No method of transmission over the Internet, or method of information storage, is 100% secure. Therefore, we cannot guarantee its absolute security nevertheless. If you have any questions about the security of your personal information, you can contact us.

## **What Happens to Your Personal Information if You Cancel Your Tservers4 Account**

If your Tservers4 account is cancelled by you, all of your personal information is placed in "deactivated" status in our databases. Even though your account may be deactivated, that does not mean your personal information has been deleted from our databases. We will retain and use your personal information as necessary in order to meet our legal obligations.

## **Advertisements**

Ads appearing on our website may be delivered to users by advertising partners, who may set cookies. These cookies allow the ad server to recognize your computer each time they send you an online advertisement to compile information about you or others who use your computer. This information allows ad networks to, among other things, deliver targeted advertisements that they believe will be of most interest to you. This Privacy Policy covers the use of cookies by Tservers4 Hosting Solution and does not cover the use of cookies by any advertisers.

## **Links To External Sites**

Our Service may contain links to external sites that are not operated by us. If you click on a third party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy and terms and conditions of every site you visit. We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites, products or services.

## **Aggregated Statistics**

Tservers4 Hosting Solution may collect statistics about the behavior of visitors to its website. Tservers4 Hosting Solution may display this information publicly or provide it to others. However, Tservers4 Hosting Solution does not disclose your personally-identifying information.

## **Cookies**

To enrich and perfect your online experience, Tservers4 Hosting Solution uses "Cookies", similar technologies and services provided by others to display personalized content, and appropriate advertising and store your preferences on your computer. A cookie is a string of information that a website stores on a visitor's computer, and that the visitor's browser provides to the website each time the visitor returns. Tservers4 Hosting Solution uses cookies to help Tservers4 Hosting Solution identify and track visitors, their usage of <https://tservers4.com> and their website access preferences. Tservers4 Hosting Solution visitors who do not wish to have cookies placed on their computers should set their browsers to refuse cookies before using Tservers4 Hosting Solution's websites, with the drawback that certain features of Tservers4 Hosting Solution's websites may not function properly without the aid of cookies. By continuing to navigate our website without changing your cookie settings, you hereby acknowledge and agree to Tservers4 Hosting Solution use of cookies.

## **E-commerce**

Those who engage in transactions with Tservers4 Hosting Solution – by purchasing Tservers4 Hosting Solution’s services or products are asked to provide additional information, including as necessary the personal and financial information required to process those transactions. In each case, Tservers4 Hosting Solution collects such information only insofar as is necessary or appropriate to fulfill the purpose of the visitor’s interaction with Tservers4 Hosting Solution. Tservers4 Hosting Solution does not disclose personally-identifying information other than as described below. And visitors can always refuse to supply personally-identifying information, with the caveat that it may prevent them from engaging in certain website-related activities.

## **Privacy Policy Changes**

Although most changes are likely to be minor, Tservers4 Hosting Solution may change its Privacy Policy from time to time, and at Tservers4 Hosting Solution’s sole discretion. Tservers4 Hosting Solution encourages visitors to frequently check this page for any changes to its Privacy Policy. Your continued use of this site after any change in this Privacy Policy will constitute your acceptance of such changes.
